

Career Paths Project

Outcome Where are we going?	Informed learners with identified career paths are accessing appropriate learning opportunities resulting in increased 21st Century skills that are required by SMEs
Success Metrics How will we know when we've arrived?	<ul style="list-style-type: none"> 1 - # students, % reporting ↑ engagement 2 - # SMEs, % reporting ↑ engagement 3 - # mentors, # students becoming future mentors, % past participants reporting effective resulting career path
Pathfinder Project How will we get there?	Pilot a coaching path project with 3 college learners matched with career coaches & SME mentors

Milestones – How will we avoid getting lost?			
1 - By	Jan 15, 2016	We will	Scope and plan project
2 - By	Feb 15, 2016	We will	Recruit students, coaches and SMEs
3 - By	March 15, 2016	We will	Implement pilot project
