

## Service Providers Event

Outcome Where are we going?		Enhanced coordination across service provide resulting in improved matching of supports to client needs, service gaps addressed, and eventual links of lower skilled people to indemand jobs	0	
Success Metrics How will we know		1 - # referrals, 个 referrals 2 - # service gaps identified, # gaps addressed		
when we've arrived?		3 - # job placement, 1 job placement		
Pathfinder Project		Host an event for service providers to identify supports and referral points of contact, identifying the service providers to identify supports and referral points of contact, identifying the service providers to identify the service providers and service providers to identify the service providers and service providers and service providers are service providers.	ify	
How will we get there?		service gaps, and develop a referral tracking system	)	
Milestones – How will we avoid getting lost?				
1 - By	Dec 15, 2016	We will Identify participants		
2 - By	Jan 15, 2016	We will Develop agenda		
3 - By	Feb 16, 2016	We will Set meeting and location
