

## Train the Trainer Project

| Outcome<br>Where are we going?                        | Employers are empowered to customize training to match needs, resulting in increased employee and employer satisfaction                            |
|---|--|
| Success Metrics  How will we know when we've arrived? | <ul><li>1 - # employers using program</li><li>2 - # times training is held, # participants</li><li>3 - low turnover &amp; high retention</li></ul> |
| Pathfinder Project How will we get there?             | Develop a train the trainer package and deliver pilot  |

| Milestones – How will we avoid getting lost? |                   |            |  |  |
|--|-------------------|------------|--|--|
| 1 - By                                       | December 31, 2015 | We<br>will | Gather relevant assets and assemble pkg. |  |
| 2 - By                                       | January 31, 2015  | We<br>will | Develop project plan                     |  |
| 3 - By                                       | April 15, 2016    | We<br>will | Implement pilot                          |  |

| Our Team        |                            |  |  |
|-----------------|----------------------------|--|--|
| Name            | Organizational Affiliation |  |  |
| Kate Pelletier  | Selkirk College            |  |  |
| Sarah Breen     | SFU / RDI partner          |  |  |
| Nadine Raynolds | Selkirk College – RDI      |  |  |
